

Planet

Society

We have an opportunity as well as a responsibility to make a difference on sustainability. We have moved forward in 2020, but there's still a way to go.

8

Offices powered 100% by renewables

2,661t

Travel emissions (firm-wide) caused and compensated (a reduction of 62% due to Covid-19 effects)

30

Sustainability Agents promoting sustainability in our offices

200

Trees planted with Treadom

The pandemic has shown how quickly life can change - and how much we depend on each other. We are committed to society and our communities, giving back through dedicated time and investment.

20

Donation campaigns among BearingPoint people

10

Schools in South Africa provided with access to water

700

Meals shared for the World Food Program via Share the Meal

4

Weeks of activities for the benefit of people affected by Covid-19 in our #Help19 campaign
